

French

The children will continue to learn key French vocabulary and phrases with a specialist teacher.

Maths

Maths learning during these terms will focus on: Statistics - learning how to interpret and draw graphs based on own research and the children will be beginning to learn about algebra.

SPAG

We will be learning a range of different skills this term. They include:

- Using present and past tenses in 1 piece of work
- Using parenthesis

PSHE and Science

The topic for Term 5 will be Healthy Eating and Well-Being. The children will have the opportunity to try new fruits and learn about how to maintain a healthy and balanced diet.

English

The children will be completing many different pieces of writing throughout the term including: a diary entry from the view of Stanley from our book, Holes, a newspaper report and writing their very own invitations, in the build up to the Royal Wedding!

Beech Class Year 5 Term 5

Homework and Reading Records

It is vital that children continue to complete their homework and read at home. Please support your child when necessary. It is making a difference in their learning.

Computing

As a class, we will be programing in Scratch. We will also look at how computers can be used to design things, such as room layouts, using set objects.

Physical Education

We will take inspiration from the Commonwealth Games and be trying out sports from the track and field. We will be running short and long distances, throwing and jumping.

Music

Music will continue to be taught by a specialist teacher. Throughout these sessions, the children will strengthen their knowledge of musical concepts such as singing.

Art

During this term, the children will be learning about Ancient Greek vases and patterns. They will have the chance to make their own out of clay and paint them using their own patterns.
