

WEEKLY NEWSLETTER

Dear Parents,

Another busy and exciting week at Dilton Marsh School. Chestnut and Beech had a fabulous day at Marwell zoo on Tuesday and were very lucky to see so many of the animals at close range. I have heard many accounts of the unfortunate penguin and the pencil! Thank you to all of our parents who helped out with this trip and recent trips to Carymoor with our younger pupils. Last week we were lucky that the rain held off enabling us to hold our annual sports day as planned. The children demonstrated great resilience, determination and sportsmanship and made it a really fun afternoon. Thanks to all the parents who attended and those who were brave enough to enter the parents' race. I hope there were no bruised egos at the end of the day!

Two weeks ago, two competitive teams from Years 5 and 6 took part in the Warminster schools Kwik Cricket Competition. Both teams were a credit to the school and played in good spirit and with great competitiveness. Despite winning many of their games they were pipped at the final hurdle and did not quite manage to make the final stage. However, there is a lot of sporting talent amongst our pupils and the future looks very bright. Again, I must thank the parents who helped to transport the children to and from the event and in particular Mr Reeves and Mr Stockley for their coaching and preparation of the teams.

The Year 6 pupils going to Matravers next year have experienced two fantastic days attending their new school and feel more than ready for the new challenge ahead. Those children who will be attending Kingdown in September have their three induction days commencing on Monday. We wish them all well with their new schools.

Enjoy the weekend.

FODS Bingo raised £170, thank you

.....
The Garden Party in aid of the Village Park & Little Marshians raised £570, thank you to everyone who donated & attended.

.....
We would like to support Daryl and his family, so have a donation tin in the main reception area – if you would like to contribute, we would be very grateful - every penny counts! Thank you

Please help us fundraise towards Daryl's 2nd Bone Marrow Transplant.

Daryl from Frome has a very rare form of Leukaemia, this is called Atypical CML Monosomy 7 in Malignant Clone, with Constitutional GATA2 deficiency.

He received his first bone marrow transplant donated by his brother Brad in July of 2015, he then relapsed in April of 2016 and requires further treatment of Chemo and a 2nd bone marrow transplant.

The NHS have at present refused funding for Daryl's treatment and this at the moment is in appeal stage but we don't know how long we have to wait for the decision to may or may not be changed. And Daryl does not have the time to wait.

We have to raise between £80 - £100k for this treatment, so far we have had amazing support and the family cannot thank everyone enough, Please help fund Daryl's treatment and give him the chance to live.

If you wish to donate please go to the following Just giving page.

All donations are greatly appreciated by the family.
Thank you

Congratulations to you all

The Big Friendly Read Summer Reading Challenge 2016

Aimed at 4-11 year olds the annual Summer Reading Challenge is simple and fun. Children are encouraged to read six or more library books of their choice during the summer holidays and receive collectable rewards as they progress. Children can sign up at their local Wiltshire library from Saturday 16th July – it's absolutely free and lasts until 10 September.

This year the challenge will be delivered in collaboration with The Roald Dahl literary Estate as part of Roald Dahl 100 celebrations. Children will receive a Dahl themed collector's folder, Quentin Blake illustrated postcards for each book read, special rainbow glasses when they read 4 books and a medal and certificate on completion.

Last year over 6000 children completed the challenge in Wiltshire and 42,145 books were read in total. Children and their parents and carers love the challenge, which can make a real difference in avoiding the 'summer reading dip'.

'I find the reading challenge is a fantastic way of keeping my children connected with reading throughout the summer hols!' said a mum from Trowbridge

There is also a special website: summerreadingchallenge.org.uk, where children can keep a record of their progress, recommend books, take part in competitions and be inspired.

Children will need a library card to borrow books, if they don't already have one, we would be happy to arrange this with you.

For more information contact your local library or visit our website: wiltshire.gov.uk/libraries

Wrap around care assistants required

We urgently require a Breakfast Assistant to join our successful morning team - Monday to Friday (term time only) 7.30 – 8.30 am. Duties will include preparing breakfast and organising activities for them to share.

We intend to open an After School Club at the beginning of the new academic year (September'16) and we need to recruit a motivated team to assist in the setting up and running of this much needed service.

Initially the hours will be 3 – 6 pm Monday to Friday (term time only) with the scope to include holiday clubs in the future. We will need at least 2 members of staff although we may need further members depending on up take.
