### Please help us fundraise towards Daryl's 2nd Bone Marrow Transplant.

Daryl from Frome has a very rare form of Leukaemia, this is called Atypical CML Monosomy 7 in Malignant Clone, with Constitutional GATA2 deficiency.

He received his first bone marrow transplant donated by his brother Brad in July of 2015, he then relapsed in April of 2016 and requires further treatment of Chemo and a 2nd bone marrow transplant.

The NHS have at present refused funding for Daryl's treatment and this at the moment is in appeal stage but we don't know how long we have to wait for the decision to may or may not be changed. And Daryl does not have the time to wait.

We have to raise between £80 - £100k for this treatment, so far we have had amazing support and the family cannot thank everyone enough, Please help fund Daryl's treatment and give him the chance to live.

*If you wish to donate please go to the following Just giving page.*

*Crowdfunding, just giving. com /stephanie-townend*

*All donations are greatly appreciated by the family.  
Thank you*

We would like to support Daryl and his family, so we have decided to have a donation tin in the main reception area – if you would like to contribute, we would be very grateful - every penny counts!  
Thank you

**Congratulations to you all**

On Wednesday, I was privileged to accompany Oak Class on their trip to attend the **Junior Good Citizens** course. This life learning skills event is designed to prepare our y6 children for greater independence and safety as they move onto secondary school. As always, the children behaved impeccably and were a credit to the school. Thank you to Mrs Elkins and Mrs Masters for joining us on this informative day

### Wrap around care assistants required

We urgently require a Breakfast Assistant to join our successful morning team - Monday to Friday (term time only) 7.30 – 8.30 am. Duties will include preparing breakfast and organising activities for them to share.

Level 3 Childcare qualification is required and level 2 Food Hygiene and 1<sup>st</sup> Aid Certificate would be an advantage. This could be a job share.

Initially the hours will be 3 – 6 pm Monday to Friday (term time only) with the scope to include holiday clubs in the future. We will need at least 2 members of staff although we may need further members depending on up take.
