

Oak Class – Year 6 – Terms 3 & 4 – 2017 - 2018

English

We will continue to look a wide variety of text types linked to other subjects. There will be a focus on Myths, The Highway Poem, Diary Entries and Persuasive Leaflets.

Maths

Maths work in these terms will be focused on: fractions, decimals and percentages, ratio, converting measures, and area and perimeter. We will also look at algebra.

Science

The focus for science will be electricity, with lots of practical experiments linked to bulbs and cells, and light.

Religious Education

The children will be looking at the Islamic faith and how The Five Pillars impact on the life of Muslim. In addition, we will also look at Easter

Geography/History

This term the children will be looking at the Vikings and Anglo-Saxons. We will consider their way of life, how and where they travelled, and their religious beliefs.

The Vikings and Anglo-Saxons

French

The children will be continuing to study French with a specialist teacher.

PSHCE

For the first term children will look at money and enterprise. The second half term will look at friends and family and how they can help us.

Computing

The theme for the first term will databases and collecting information to input into databases. We will also continue to program but this will be in a different programming language.

Physical Education

In PE this term we will focus on hockey and continue to look at general skills and tactics to be successful in this type of game.

Music

Music will continue to be taught by Mrs. Laurence. Throughout this work the children will continue to develop their knowledge and understanding of how to read and write music.

Art/DT

Art and DT will focus on our topic work. We will look at using different mediums to produce collages linked to Viking ships. We also look at creating Viking shields.
