

<u>Planner for work for Ash Class.</u> <u>04/05/20</u>	<u>The Builders.</u> <u>Lego week- challenges!!!</u>
<u>English-</u> <u>Reading-</u>	Own reading at Home. 3 different styles of reading this week- non-fiction, poetry and fiction work. Complete any reading comprehensions that are left in your pack.
<u>Writing and</u> <u>Reading-</u> <u>Look for the</u> <u>website Pobble</u> <u>365.</u> <u>Then click on the</u> <u>date July 2nd.</u> <u>This should show you the picture-</u> <u>The Builders.</u> <u>The writing tasks this week are all</u> <u>linked to this picture.</u> <u>There is also a reading task to think</u> <u>about the questions linked to the</u> <u>picture.</u>	 Task 1- Complete the story. Look at the story starter and think of your own ending for this story. Task 2- Please can you build your own Lego/or a different type of model and then write a set of instructions to teach someone else how to build it.
<u>Spelling-</u>	Mr. Whoops spelling task.
<u>Maths-</u> This work is for weeks 4 and 5 as there is a lot involved in learning to tell the time.	Telling the time <u>See Maths planner.</u> All of the resources are included with last week's Home Learning.
<u>DT/Craft-</u>	Have some fun building your own models from anything that you can find in your home. Take photos and send them in to me so we can share them if you wish!
<u>Science-</u> bbcbitesize-	This week, take some time revisiting our science learning about Animals. I am sure that you will remember a lot

	<p>of the work from Term 3, as this was the last Science Block that we did. You can choose any of the questions to study different animals, but make sure that you include the final three questions linked to food, life cycles and what animals do to survive.</p>
--	--

Spelling week 5-

Mr Whoops is a little bit clumsy...OK, OK, he's a lot clumsy! Even though he's really trying hard with his writing, he's still accidentally misspelt 13 of his Y1/Y2 common exception words. Can you spot his mistakes?

Highlight them in the passage of text.

Could you then correct the words at the bottom of the sheet and create a list for Mr. Whoops to practise?

Activity 6:

Last week, we went on a school trip to ay museum. Mowst ov our class were allowed to goe but we were tolde we had to be on our best behaviour (sum of my class talk too much so our pore teacher has to shout). On the trip, there were so mane owld items from the passt. The best part was during our hrlf an howr brak where we could go off by ourselves and explore.

Mr. Whoops needs to practise these words:

Use Pobble 365- The Builders.

Reading Task-

Question time! Think about your own answers to these questions.

Who are the team that are building the Lego structure?

What is it you think they are building?

Why do the team of builders need to work quickly?

How long do you think it will take them to finish?

Have you ever built anything before?

What skills must a builder possess?

What obstacles/challenges might the builders face?

Which of the builders do you think is in charge?

Where are their parents?

Writing Task 1 -

Continue their story...

As soon as their delivery of building materials had arrived, the team set off to work. It looked like the clouds in the distance were beginning to spit rain down at the sleeping countryside, so they knew they must work quickly and effectively. The team were confident however: this was not their first giant Lego structure...

Can you continue the story?

Write into your exercise book and don't forget to add pictures!

Task 2-

Can you write a set of instructions on how to build a Lego model?

If you don't have Lego then please build a model from something else.

Build the model first and then write a set of instructions to teach someone else how to build a similar model.

Work for Maths for Term 5 weeks 2 and 3.

WB- 27/04/20 and 04/05/20

Maths Planning is for two weeks as there is a lot of work involved in learning to tell the time.

Telling the Time.	
Continue with the Telling the Time activities from last week, I am sure that there are still activities to complete.	If you were very keen and have completed everything that you can access, there are Telling the Time games on Top Marks Maths that you can play.

Extra Activities-

1. Arithmetic- Play Mathopoly to test your speed recall of arithmetic facts.

If you play the game on several days and see if you can answer the questions more quickly each time.
