Newsletter 5 Term 4 - Friday 26th March 2021

Dear parents and carers

On Wednesday we say goodbye to Miss Ward who has been covering Mrs Down's maternity leave this term. Miss Ward has secured a permanent post closer to her home. We wish her all the best and thanks for teaching Lime Class in the most difficult of times. We welcome Miss Dagnall who will be teaching Lime Class in Terms 5 and 6.

Since half term we have been busy revisiting our curriculum offer to the children. Whilst planning the remainder of the year the teachers have reviewed lost learning in non-core subjects (not English and Maths) to ensure that the children will have covered most areas by the summer. In some cases this has meant combining content from 2 subsequent years. Each time we introduce a new theme we start with a review of previous knowledge so that we know what the children know securely and what they need to re-visit. We have also introduced a system to help children remember more. Each class has a green 'crocodile' box which includes questions related to what they have learnt. These questions are asked either daily, weekly or every couple of months. The idea is that as children frequently practice the questions the knowledge moves into their long term memory and should therefore be retained.
