

DILTON MARSH C OF E PRIMARY SCHOOL

Newsletter 4 Term 6 - Friday 8th July 2022

Dear parents

It was great to see everyone come together for our Sports event on Tuesday. There were so many mums, dads, grandparents and siblings cheering on the children in the races. Thank you for all your support. It was obvious to see how much the children enjoyed it and demonstrated all our school values regardless of their sporting abilities.

Over the next week we have a number of guests coming into to talk to Key Stage 2 about their careers. We hope by giving the children the opportunity to hear about different professions and ask questions we can inspire them to find out more about different careers. This year is our first ever 'Careers Week' but we hope that it will be the start of an annual event and next year we can get bigger and include a wider range of roles. This year includes a scientist, a number of health professionals from White Horse Surgery, a top female football referee, a vet and veterinary nurse and the following week we welcome our local PCSO.

Donations

Thank you for all your donations last week which will help support those families in need in Ukraine and has raised a total of £85 for school funds.

Film Night

Thank you to FODS for organising a successful film night last week. The next event will be the discos taking place on Wednesday 20th July 2022 (details over the page). £2 entry (free to Year 6 leavers). Must be paid in advance after school on Monday 19th and Tuesday 20th July 2022, to the FODS representative.

Weather warning

A **Level 2 Heatwave Forecast** has been issued by the Met Office for the South West of England from next Monday 11th July. We are following advice from the DfE and Public Health about how to keep the children safe at school. Please help us by doing the following:

- Apply sun cream before school
- Send your child with a refillable drinks bottle
- Send your child with a sun hat
- Leave jumpers / hoodies at home

Signs and symptoms to be familiar with if your child is suffering from heat exhaustion:

- Tiredness
- Dizziness
- Headache
- Nausea
- Vomiting
- Hot, red and dry skin
- Confusion

Let's Celebrate Headteacher's Awards

- Ruby in Chestnut Class for showing compassion on Sports Day by running with her brother Charlie.
