summer of sport 2018

Delivered in 61 venues across Wiltshire

Foreword

In our 2018 Get Active brochure you will find information about the huge number of school holiday sports and physical activity opportunities delivered or supported by Wiltshire Council. This summer programmes will be available in 61 different locations across the county. Sport and physical activity plays a vital role in the lives of young people in Wiltshire and the wider community – contributing to improved health and wellbeing, community cohesion and social interaction.

In Wiltshire we believe it is important that everyone can enjoy and participate in sport and physical activities in their local area. As a result, we have developed additional programmes to provide an even greater choice for young people to get involved and remain active this summer.

Read on to find out more about the activities available near you.

Tidworth Leisure Centre to benefit from major refurbishment programme

Major refurbishment and repair works will be taking place at Tidworth Leisure Centre this summer so that customers can continue to enjoy high-quality sports, leisure and library facilities.

The works are being carried out by Aspire Defence on behalf of the Defence Infrastructure Organisation (DIO), TNB Garrison and Wiltshire Council.

The centre will be closed to the public from 23 July 2018 with the sports facilities, library and on-site businesses reopening on 1 September 2018. The swimming pool will remain closed until 5 October 2018.

During the closure Wiltshire Council will be promoting alternative options for members including use of other local Wiltshire Council facilities, a 25% reduction on membership or an option to freeze membership until the facility reopens – this is being communicated to all members by email or letter.

The Garrison is opening up its Bulford Pool so many of the Wiltshire Council swim school programmes can use the facilities during the closure and alternative options are being investigated for fitness provision.

A mobile library will also be available for customers throughout the closure period based at the Tidworth Community Centre and operating times will mirror the current times as closely as possible.

For the latest information on the closure and alternative provision please visit www.wiltshire.gov.uk/leisure-tidworth where we will post updates.
