Message me via e-schools with your feelings after you have a relaxing afternoon.	<u>Secondary School</u> Research your new secondary school. You must write 3 things that you are really looking forward to about your school specifically and then 1 thing you are a bit nervous about.  Message me via e-schools with your answer.	<u>Writing</u> Write me a song about this current situation.  I would start off by choosing a song that you like. Find the lyrics to the song and then adapt them. Then you already have a tune to sing along with.  Bonus points - record yourself singing it and send it to me via e schools.	<u>Writing</u> Write me a song about this current situation.  I would start off by choosing a song that you like.
