

DILTON MARSH C OF E PRIMARY SCHOOL

Newsletter 3 Term 4 - Friday 12th March 2021

Dear parents and carers

What a wonderful week we have had. It has been so great to have all the children back in school. 100% of the children returned as expected. Thank you to all parents who have prepared the children for yet another change.

The children have settled quickly into the routines which were in place prior to the lockdown and have been working so hard – we are super impressed. It is lovely to see them all playing with their friends on the playground, even if we are not quite used to all the noise in school!

Thank you to all the adults for following the revised drop off and pick up routines and for continuing to wear masks. Over the week it has become much quicker.

Please can I ask however that parents do not use the school lane for turning the car around. Most of our children walk up the lane and there has been a couple of near misses this week. Also, please do not park on the 'no-parking zigzags' as this restricts the vision for children crossing at the crossing point.

Jill Hibbs
Headteacher

Let's celebrate!

- * Ella B (Year 5) for working so hard this week.
- * Hannah (Year 3) for great contributions in Collective Worship on the value of Hope.
- * Isaac for being so independent this week and settling straight back into school.
- * Dylan for his amazing description of Black Rock, super language used.
- * James for his wonderful attitude to his phonics and reading, you are working so hard!

Stars of the week:

Lime Class	Logan for excellent phonics and determination.
Cherry Class	Daisy for making an effort to read every day at home and practicing her spellings.
Ash Class	Orla for her wonderful attitude to learning this week, she has worked very hard all week.
Willow Class	Mia for great contributions to dance this week.
Chestnut Class	Harry for great contributions when learning about the Anglo-Saxons.
Beech Class	Thomas for good writing ideas.
Oak Class	Carmella for returning to school with such a positive attitude and excellent presentation.

Dilton's Maths Magicians:

Lime Class	Finley for great perseverance.
Cherry Class	Ava for fabulous use of our stem sentences.
Ash Class	Elsie for fabulous fractions.
Willow Class	Roarke for great fractions work.
Chestnut Class	Alex for great answers to our fractions work.
Beech Class	Marshall for great fractions work.
Oak Class	Chloe Smart for showing perseverance and trying her best in class.

Celebrating World Book Day 2021

Red Nose Day—Friday 19th March 2021

Don't forget next Friday is Comic Relief Day. We are inviting children to wear something red or even paint their nose red! We ask that you do not send your child with the traditional plastic red noses this year. I am sure you will understand why! Donations towards Comic Relief will be gratefully received.
