## Newsletter 4 Term 4 - Friday 17th March 2023

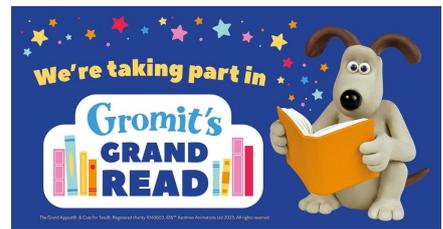

Dear parents and carers

This past week Mrs Down and myself have met with each of the class teachers to discuss the progress and attainment of all of our pupils. We explored our teacher assessments and the results of recent tests to identify any children who are at risk of falling behind or what is working well to accelerate progress. Thank you for all the support you give your children - we can see that good progress is linked to many things particularly regular reading at home and good levels of attendance.

There has been overwhelming support for our Readathon to raise funds for Wallace and Gromit's Grand Appeal. The total raised as of this morning is £1369. Thank you to everyone for sponsoring your child and donating to this worthy cause. The children made an enormous effort to read as many books as possible last week, I am sure they will let you know their class' grand total.

Please can children return their sponsorship forms so we can tally and celebrate everyone's reading achievements. Please do not send any cash sponsorship money to school as we are unable to do anything with this. Donations can only be made via the Just Giving page. Thank you.
