

## Computing

# Dilton Marsh C of E Primary School

## COMPUTING Yearly Overview

*'For nothing is impossible with God'*

Below is an outline of each topic to be taught in computing. Each topic has a plan attached within the Staff Drive – Curriculum 2021 – Computing – Plans.

Each unit builds upon the previous year's unit. All children will be working on the same unit each term so that progression throughout the years can clearly be shown.

EVERY unit will start with a lesson of Online Safety in line with KCSIE.

Year/ Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
