

Dear parents

This week the children in school have been spending as much time as possible outside before the weather changes at the weekend. I'm pleased that it will remain dry and sunny for the VE Celebrations even if they are not quite what we all planned for at the beginning of the year. The children in school have enjoyed making bunting for the occasion. If you are having a street party or other celebrations please share with us on our Facebook page – we can't wait to see what everyone is doing.

I hope you managed to see the staff video on our Facebook page. I have uploaded it onto our website homepage as well if you have missed it. We really enjoyed creating it and maybe will make another shortly?! Thank you to Miss Tout who put all our individual clips together so professionally.

Don't forget we now have class email addresses so that you can contact teachers directly – they really do look forward to hearing from you.

Keep safe and well!
