

DILTON MARSH C of E PRIMARY SCHOOL

FRIDAY NEWS

Friday 14th June 2019

This time last week we were on our way back from the Year 6 residential at Tiles Barn in the New Forest. During the week the children took part in a total of nine activities. Many of these included heights such as climbing or abseiling but for others we had our feet firmly on the floor. The most important skill the children learnt was resilience – never giving up. We were really proud that everyone had a go at everything. Some may not have gone as high or pushed themselves as much but all came out of their comfort zone. The centre itself was great and we were so impressed we have already booked for next year but for a week! **We have provisionally booked the week beginning 18th May 2020 for our current year 5's to go.** One of the favourite activities was the Crate fall. The children had to work together to build the highest crate stack which they had to stand on in pairs. This meant they had to support each other whilst loading up the crates. It was very wobbly and scary. Baylee said to Alfie, "I'm going to pass out." Alfie then yelled to the rest of the group to get them down. I think he was a bit worried he'd be left swinging in the air with Baylee in his arms!

Class teachers 2019 – 2020

After some deliberation it has been decided to move some of our teachers to teach different year groups. Next year the class structure will be as follows:

Year R – Lime Class – Mrs Down (Miss Williamson's married name)
Year 1 – Cherry Class – To be confirmed next week
Year 2 – Ash Class – Mrs Broad
Year 3 – Willow Class – Miss Tout
Year 4 – Chestnut Class – Mr Bullen
Year 5 – Beech Class – Miss Driscoll
Year 6 – Oak Class – Mr Foyle

During the next month the children will spend some time getting to know their new teacher and their classrooms prior to the summer holidays.

Star Writers

We are always impressed with the outstanding quality of the children's writing, and whilst we recognise this in our classes, we thought it would be nice to celebrate these amazing skills with the school community.
