

DILTON MARSH C OF E PRIMARY SCHOOL

Newsletter 1 Term 6 - Friday 10th June 2022

Dear parents

The celebrations for the Jubilee seem ages ago. It was wonderful to see the photos of the village events. They demonstrated what a wonderful community spirit is alive in Dilton Marsh. A huge thank you to Jennifer and all the other FODS members for organising and hosting the Scarecrow Hunt. I think everyone loved it even though a few blisters developed as there were so many entrants! See photos and the amount raised over the page.

This week the sports leaders from Fairfield College have visited school to lead a tennis session with some of our pupils. Our relationship with the College is thriving and we hope that we can develop links with other departments in the near future.

The induction for our new Reception pupils has also started this week with some visits from the children who will be joining us from Step-Up. There will be a number of sessions for all the new children and next week we will be delivering a session for parents, both new to the school and those who already have children in the school. This is a great opportunity to find out about how we ensure that children have a smooth and happy transition from their pre-school.

Donations please

We have signed up to the Rags2Riches4Schools recycling scheme again this summer to raise money for the school and help others benefit from our good quality unwanted clothes. This year all donations are being sent to Ukraine. We get 40p for every kilo we collect of reusable items and would be really grateful if you could help support us with this.

We have a collection booked for **Thursday 30/6/22** so please keep good clothing for us until then. Thank you.

PLEASE DO NOT BRING ITEMS INTO SCHOOL BEFORE THIS DATE AS WE ARE UNABLE TO STORE THEM.

FODS

Thank you to Mr Thomas, Miss Prince and Beech Class for our school's contributions to the Scarecrow Trail. Total funds raised by FODS for the school is an amazing £853.
