

Dear parents and carers

We are looking forward to catching up with all our parents next week during our parents' evening. It will be a chance to discuss how your child has settled back into school and if there are any areas of 'catch-up' we can work together on. This is our first full TEAMS parents evening so please have a go at logging on before your designated times in case of any difficulties – remember we will be sending invites to your children's accounts.

Thank you for your support with our concerns over traffic at drop off and pick up – it appears to have gone much smoother this week. Our local PCSOs have been monitoring the situation this week and were pleased to see no dangerous parking or driving. They will be visiting regularly to support us. We hope that they will be able to come into school soon to meet the children as well.

Hope you have a lovely extended weekend.

Lime Class

Children in Lime Class have been busy renovating their outdoor learning space with the help of our local community. They now have various plants, vegetables, a bug-house and windchimes.

Thank you to everyone who donated items and to Westbury Morrisons for their hamper of tools and sunflower seeds.

The children are clearly very proud of their garden and have been keen to share what they have been doing:

Rex told us, "We have been gardening and planting to make our outside area beautiful."

Harmony tells us, "We have made a bug-house. This is the door for the bug to come in".

Let's celebrate!

Headteacher's awards

- * Ethan (Willow Class) for being a good friend.
- * Harry (Willow Class) for persevering with his cursive handwriting.
- * Ayden for great perseverance in maths when learning about decimals.
- * James (Beech Class) for the fact he has been really engaged in his learning this week and answering questions brilliantly.
- * Indie (Ash Class) for perseverance with play.
